

Step 01: Login to the Community Cash APP with your user ID and password.

Step 02: After login, an alert message will be displayed to “Set Transaction PIN” for the first time. Press OK to continue with setting 4-digit PIN.

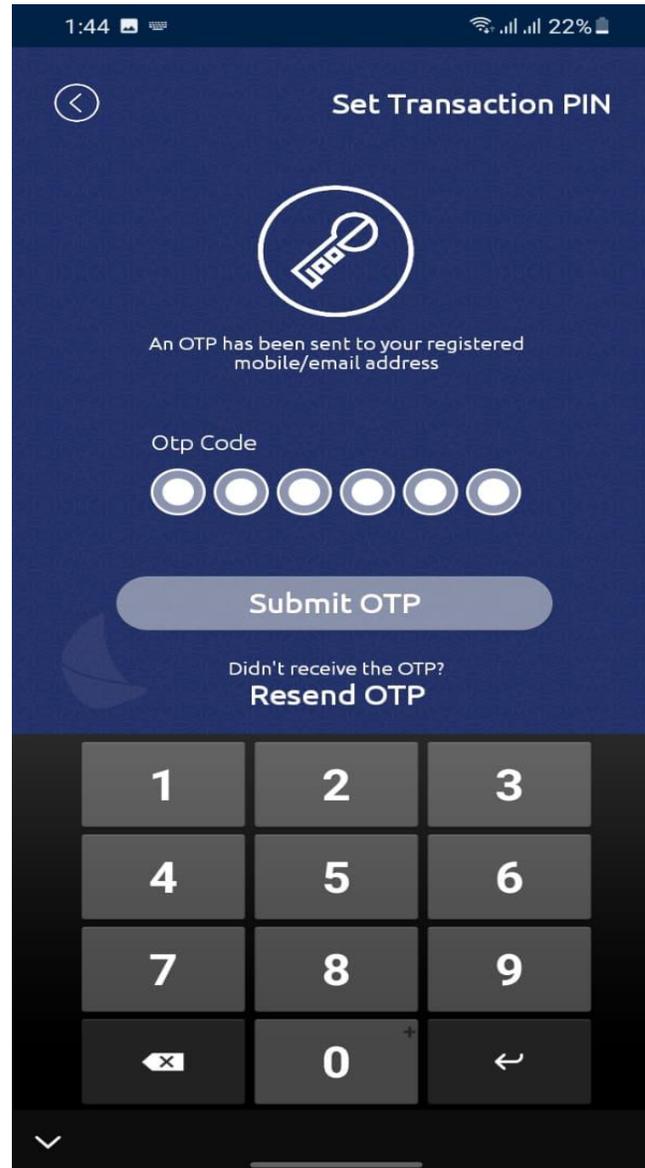

Step 03: Input your 4-digit transaction PIN including confirm PIN, select OTP channel (SMS or Email), and press “Submit” to confirm.
(Please memorize the PIN for future use, and **DO NOT** share with anyone else).

The screenshot shows a mobile application interface for setting a transaction PIN. At the top, the status bar displays the time 1:43, signal strength, Wi-Fi, and 22% battery. The app header is dark blue with a back arrow icon and the title "Set Transaction PIN". Below the header are two light blue rounded rectangular input fields labeled "New PIN" and "Confirm PIN". A decorative blue and white wave graphic separates the input fields from the OTP channel selection section. This section is titled "ONE TIME PASSWORD (OTP) Channel" and contains two radio button options: "SMS" (selected) and "EMAIL". At the bottom of this section is a large blue rounded rectangular button labeled "SUBMIT". The background of the lower half of the screen features a subtle, repeating geometric pattern.

Step 04: A 6-digit OTP will be sent to your preferred channel (through SMS or Email). Please enter 6-digit PIN and press “Submit OTP” to confirm new PIN setup.

The screenshot shows a mobile application interface for setting a transaction PIN. At the top, the status bar displays the time 1:44, signal strength, Wi-Fi, and 22% battery. The app header is dark blue with a back arrow on the left and the title "Set Transaction PIN" on the right. Below the header is a white key icon inside a circle. The text "An OTP has been sent to your registered mobile/email address" is centered. Underneath is the label "Otp Code" followed by six empty circular input fields. A light blue "Submit OTP" button is positioned below the input fields. At the bottom of the screen, there is a "Resend OTP" link and a numeric keypad with buttons for digits 1-9, 0, a backspace key (X), and a right arrow key.

Step 05: After successful verifications of OTP, a message “Transaction PIN Set Successfully” will be displayed. Press “Confirm” to continue with “Community Cash” App login.
